## ETHICS

Greetings and welcome to Adventureland Online MMORPG!!! Before you continue on your adventure, please play with honour. This is for your enjoyment as well as the enjoyments of others.

Ethics are based on rules or guidelines to be followed by players to make each and everyone's gaming experience more systematic and promote discipline in the gaming community.

### DO NOT USE THIRD-PARTY PROGRAMS

Third-party programs include bot, spam which let your character level without you actually playing. Do not use any kind of program that can allow you to hack or change game database. This lead to permanent ban and deletion.

### DO NOT Flood

Flooders is term used for people who input or type messages like asking for golds, items filling up the world chat or spam personal messages which contributing to the lag or delay etc....

### DO NOT SCAM

Scamming is a form of stealing. An example would be asking gold for service such as level up leach and when traded to you, you log-out, Home Fly Wing or Teleport Other Map. In general scamming is a form of cheating other players with one gaining something from others.

# ADVENTURELAND ONLINE MMORPG

## PLAYER'S RULE OF CONDUCT VIOLATION

Player Info

# ADVENTURELAND ONLINE MMORPG

**Player info** on right side show you player class image, health HP, mana MP, experience need to level up.

**Class name** and Player current **level**.

**Stat Points** – Every level up player get 3 stat points can be used to increase MHP, MMP, ATK, DEF, MATK, MDEF, CRIT OR EVA.

**Equipment Slot** – As mention if player equip any Weapon or Armor from inventory then these will visible in equipment slot in white boxes after that it also shows if equipment is upgraded or not like +3, +0 etc.. the red boxes show equipment do not have slots if any equipment got slots it will show you green boxes and if any card inserted to equipment instead of green box it will show card image. On hover or mouse on images it show equipment name or card name and details.

**Gold** – Player Current Gold

**Arena Coins** – You get after winning Battle Arena need 5000 gold and level 30 to join it.

**VIP** – VIP level and its Expiry.

**Cash Points** – similar to donation not implemented yet, you can buy VIP level using it.

## Menu Buttons

### WORLD

By clicking on world you to world, where you can see map shops or npc on maps and monsters.

By using buttons on map like **NORHT SOUTH EAST WEST OR MUTE – UNMUTE**

You can go to other maps and mute or unmute audio.

By using **visit** button you can visit npc or shops to trade, buy or sell things or accept quest etc....

By using **fight** button you can enter in to battle with the monster.

At centre you can see the map name and at bottom you can see number of players online on current map and also there pictures below.

On picture you can find **Add Friend** button or **Pending** Label, so you can send other player friend request or wait for them to accept if pending else you will see **Friend** Label.

### WORLD MAP

By clicking on world map it will open entire world map in new tab where on world map you can see all towns images and if you hover or take mouse on any map image it will show you what monster you can hunt on that map or what npc or shops you can visit on map.

# ADVENTURELAND ONLINE MMORPG

## INVENTORY

By clicking on Inventory it will open player inventory, where player can see all usable items first then non-usable, quest, or other items. By clicking on USE button player can use that item, on Hover of image of item it show you more information.

Below items you can see Equipment's

Weapons And Armor's by **Equip** and **Unequipped** button player can wear or remove the equipment's.

Cards you can use Insert button , if you got any slotted equipment in inventory in that card can be inserted then you can do that it will open the card inserting panel, and list of equipment in that card can be inserted just click on Insert button and card will get inserted and you will back to inventory.

## QUEST

Here you can see all accepted or pending or completed quest and also by clicking on view button you can directly visit the quest npc to complete the quest or reject without going to map or changing map.

## SHOP

Player can open there shop to sell the item they have in inventory to other players. First type shop name and then click **Update** Button.

This will give shop name you can name it like player name shop or S > Hat or Card etc....

If you can see **Open** button means your shop is closed and if you see **Close** button means your shop is open and other can see it and buy from your shop.

If you want to add items for selling in your shop, you need to **Close** the shop first then you can add sell quantity cannot be greater than your inventory quantity you can see that in shop and sell price for each item. Then click on **ADD** button to add to shop.

Once added you can see added item below in the shop tab. Add all your items you want to sell then click **Open** button to open shop.

**Gold earned in shop** can is gold you get by selling items from your shop, once you close shop gold get added to your **Gold on player info** right side panel.

## WORLD CHAT

You can chat with other players or see what they are talking with each other, send emoji's or message or B> S> of items information or about your shop etc.... don't spam else you can get banned for long time.

# ADVENTURELAND ONLINE MMORPG

## FRIEND LIST
